Dear Parishioners,

The gospel of Jesus Christ challenges us to care for those who are less fortunate than ourselves. Supporting the missions in third world countries is a powerful way to put this gospel into action.

The Propagation of the Faith Office has assigned a missionary speaker to address our community during the Masses next weekend (July 30-31). Doctor David Butler is a volunteer for ***Project Crudem***. Doctor Butler is not only a superb physician, but he is also a role model for Christian Stewardship. We are fortunate to have this doctor as our guest. I know you will extend to him a warm St. Agnes welcome, which is our trademark.

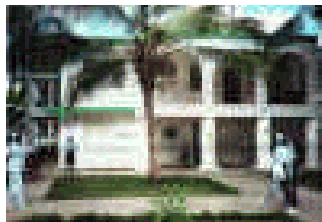

The following is some information about the mission and a special second collection will be taken for it next weekend. Please make checks payable to St. Agnes and in the memo space please write MISSION. We will be sending one check on behalf of our community's missionary efforts.

Project Crudem

Project Crudem (Center or the Rural Development of Milot) has been helping the people of Milot - a village in Northern Haiti - since 1968. The Brothers of the Sacred Heart initiated the project, which aims to improve the living conditions in this rural community. The centerpiece of the Mission is Hospital Sacre Coeur, founded in 1986 as a 12-bed hospital, which has not grown to 66 beds. It is the center of medical care for a population of about 200,000 people. Five Haitian physicians and 3 Daughters of Charity staff it. Each year more than 150 medical volunteers (physicians and nurses) come to Milot to spend varying amounts of time in caring for the sick of the region. All help is voluntary and there is no government funding for the Hospital and Nutrition Center. It is supported entirely by donations and whatever little the people can offer.

The recent revolution has strained hospital resources to the utmost and the situation in Milot is as desperate as it has been in the last 15 years. Thank you in advance for your financial assistance as we try to put the gospels into action.

***Pearl of Wisdom.** . . As a young adult, when I thought my choice of vocation was a given and didn't wonder much about God's choice, I dreamed of serving in the Peace Corps. I was challenged by the world, its hungry and helpless. God had a different vocation in mind, a smaller world. It consists of a handful of children, a husband, pets, and some relatives. I feed them when they're hungry and share the Good News with them. I think of Solomon each day as I face the challenges of my vocation. Solomon asked God for the gift of wisdom. Whatever the gift each of us receives, it is the priceless jewel that we need to carry out the responsibilities of our simple and ordinary worlds.*
