

***“Brothers and sisters, whether you eat or drink, or whatever you do,  
do everything for the glory of God.”***

What a simple sentence from the second reading today. I think it is a sentence with which we would agree but I'm not sure how often we truly remember through the course of everyday life. Just think about it...do EVERYTHING for the glory of God. That means driving the kids to the game or practice, getting the shopping done, commuting to a job, doing paperwork, house cleaning, yard work all of it can be done with the Glory of God in mind. Even shoveling snow (although I hope we don't have to do that anytime soon)! Tasks of everyday life can and do give glory to God...if they are done with love, with sacrifice and with prayer. Try to turn your commute into prayer time. When things get frustrating, pray for patience and then offer your extra effort to God. Rather than trying to manage everything in just your way, ask the Lord to help you relax and “role with the punches.” Imagine what our parish family would be like if we all did everything for God's glory. I think it would show on all of our faces. We would have a greater sense of peace. Then that peace would be reflected to others and soon they would know the gift of Jesus as well. Who knows? Maybe they would allow their daily chores to give praise to God too...then the kingdom continues to spread through you and me.

On a side note I do have to thank you for one thing that you've done which definitely gives glory to God. I am speaking of your generosity on behalf of the Archbishop's Annual Appeal. Because of your donations, more people will be helped throughout the Archdiocese. The poor will receive better care, our seminarians' education will be supported, and others will continue to operate programs, which, in so many ways, continue to spread the Good News of Jesus Christ. For those who donated I thank you for giving Glory to God through your generosity. For those who haven't it's not too late. Simply take an envelope home with you, fill it out and return it next week. In the meantime, let's make an effort this week to offer our daily tasks to God. Let Him be a part of the busy-ness of life. Direct your efforts towards His greater glory and in the process be blessed with His Patience and Peace. St. Agnes, pray for us!

- Fr. John

**BEREAVEMENT MINISTRY**

When we lose a loved one by death, we are wounded. Just as a wound does, we need to heal from within, to express our thoughts and feelings, even when they seem crazy. We need to recognize that "crazy is normal."

Knowing this will not lessen your grief, but it may help your healing to begin. A support group is a safe haven where we can talk, cry, share our anger, guilt, and fears with those who understand and care.

Grief, like a wound, takes time to heal. A support group is to the grieving like healing salve is to a wound; it soothes and comforts us while we heal.

We are here to offer information, to listen, to share feelings and to support one another.

**St. Agnes Bereavement Support Group starts Thursday, February 23rd for six Thursdays at 7:30 PM**

Call the Rectory at (732) 388-7852 for more information or to register for the group.

*Untangling Evolution***

On Monday, February 27<sup>th</sup>, at 4 p.m. in Jubilee Hall Auditorium, Seton Hall University, Stephen Barr, professor of physics at the University of Delaware, will lecture on the increasing controversy over evolution and its possible religious or anti-religious implications. Some of this controversy concerns the recent phenomenon of the "Intelligent Design Movement." The speaker will try to untangle the issues surrounding evolution. He will argue that the Catholic Church's traditional view on evolution (namely, that it is in itself a harmless idea) is the correct

one. For further information, please contact 973-275-2175 or [nourseda@shu.edu](mailto:nourseda@shu.edu).
