

**“To have 14 million people experience hunger in the  
greatest country in the world is a disgrace.  
It is time to wipe out hunger in America.”**

***“Please Take My Money to Help  
Your Neighbors in Need.”***

**These are the words of Alan Shawn Feinstein, a philanthropist dedicated to fighting hunger in the United States. He has established the Feinstein Foundation in Rhode Island for this purpose. For the past seven years, Mr. Feinstein has donated one million dollars a year to non-profit agencies – soup kitchens and food pantries, throughout the country that are feeding those in need.**

**Saint Joseph Social Service Center in Elizabeth is one of the many agencies that Mr. Feinstein has helped and will continue to help this year. This has become our *Annual Appeal*. Any donation received between the period March 1<sup>st</sup> - April 29<sup>th</sup> will be matched/increased by the Feinstein Foundation according to the number of agencies participating and the amount that each raises.**
